Dear Sir,

On his return from Europe where he had visited the Museum at Zurich my friend Professor Lodewyckx discussed with us the question of sending to you a collection of specimens illustrating the Ethnology of Australian tribes in return for one from your Museum containing specimens from the Swiss Lake Dwellings. I also received the photographs that you were good enough to send. I am enclosing a list of the specimens which have been selected and will be forwarded to you as soon as possible from Melbourne. It is now difficult to procure genuine examples of many implements etc. but all of those sent are genuine. We shall be glad to receive the Swiss Lake Dwellings specimens from your Museum and leave the selection of these in your hands.

Believe me,

Yours faithfully,

W. B. Baldwin Spencer.

Sehr geehrtes Fräulein !

Das Schweizerische Landesmuseum hat sich bereit erklärt, dem Nationalmuseum in Melbourne eine Kollektion von Objekten aus schweizerischen Pfahlbauten zu liefern im Tausch gegen australische Gegenstände, in der Meinung, dass wir diese letzteren der Sammlung für Völkerkunde überweisen würden, da sie ausserhalb des Sammelgebietes unseres Museums fallen .

Die betreffenden Objekte sind uns nun aus Melbourne avisiert und werden jedenfalls in einiger Zeit hier eintreffen. Ich sende Ihnen das Verzeichnis derselben, damit Sie es bei Ihren Akten aufbewahren können .

Mit freundlichen Grüssen
